FOR THE **cure**

Special Message to fans and friends. . .

Thanks to all the fans & friends who have taken time out of their lives to raise funds and increase awareness in the fight against Breast Cancer.

Your effort to contribute to “The Cause” and assist The Komen Foundation in their mission, my family & I are grateful.

To all who we have lost, those who continue their battle, and to those who have conquered the disease, we are with you in spirit and attribute you as our inspiration to finding a cure.

Sincerely,
Dan Wood

Massachusetts Nurses Association **MNA**^{MA} National Nurses United

The Massachusetts Nurses Association and its 23,000 members are proud to sponsor the 3rd Annual Batting for Betty Charity Softball Tournament.

It is our hope that together we can raise money and awareness for breast cancer research, treatment and prevention.

A black and white photograph of four nurses standing behind a table at a softball tournament. They are all smiling and looking towards the camera. The table in front of them has various items on it, including a softball bat and a box. The background shows a softball field with spectators.

Special thanks to MNA for their generous donation to Batting for Betty 2012

Happy Anniversary Lilac18, your
Batting for Betty Team Mates!

Only my 10 year anniversary could keep me away today, but I will continue my undefeated streak next year! All my love to the Wood family and to my BH family. Betty lives on forever as we continue to inspire, love and support each other.

"Kristen and I met in 1989 in our freshman Spanish class. Our first common interest was NKOTB. We had turned 30 in 2005, traveled together and sustained a friendship from girlhood to womanhood. Then I got the phone call "I have Stage 3 breast cancer." Cancer was a journey for us both and we have maintained that bond in life and with NKOTB. We have attended some shows together since 2008 there we can be teenagers again."
